

E.C.Y.
What is this??

E.C.Y.– Stands for...

Evangelical
Christian
Youth

The object of the Evangelical
Christian Youth is threefold:

(1) To evangelize students
throughout the world, seeking
always to win others to
Christ;

(2) To build up its members
in Christian experience and
holy character and to instruct
them in the doctrines of the
Bible as taught by the
Church;

(3) To promote wholesome,
Christ-centered activities for
young people to aid in the
development of soul, mind,
and body.

Lily Lake Youth Camp 2009

**Heart of Worship—
it's all about Jesus!**

Youth Work Day

Youth Work day is a necessity to the start of summer youth camp.

The first weekend in May, youth from around our district will join youth workers and other church members to prepare our campgrounds.

May 1-2, 2009 will be the dates for this annual event. We will have a great time as we gather for food and fun. Then we will get a good night's rest so we can "tackle" the work projects around the camp.

There are many benefits to this event. Youth certainly make an impact at Lily Lake Camp, and the young people that attend & participate have the unique opportunity to pre-select their cabin for the upcoming youth camp.

We encourage you to come. We need you to make this year's youth camp a great success.

Youth Camp

July 20th– 25th, 2009

This year's youth camp already has the potential to be one of the best in history. Your Northeast District Board has been in prayer for this camp.

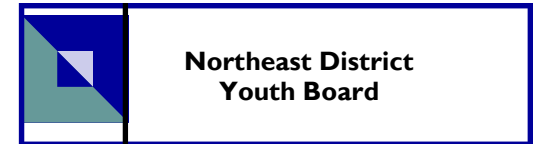

We've prayerfully selected top-notch speakers who will not only keep your attention, but who are also excited about sharing the word of God. We are looking forward to what God is going to do!

Youth Camp is a week long event that is life changing!! As a teenager, you will have an awesome opportunity to meet friends who share some of the same challenges that you may encounter. Life long friendships are carved in the hearts of all who attend. There are also exciting recreational activities, interactive classes, and powerful worship services. We also have evening activities that are organized & supervised. Bringing the best to young people.

We are excited to announce the Youth Camp Speakers:
